

Product Name :
Industrial Safety Training Unit

Product Code :
ENGLABINGCAG5000194

Description :

Industrial Safety Training Unit

Technical Specification :

Industrial safety power plant: all aluminum alloy structure with dimensions 1160 * 410 * 1050mm (L*W*H).
power box unit: aluminum profile panel structure, embedded installation of power parts, instrument and load module with aluminum alloy hanging box unit form, connection convenience.
