

**Product Name :**  
Three Phase Synchronous Machine

**Product Code :**  
ENGLABINGCAG5000207

**Description :**

Three Phase Synchronous Machine

**Technical Specification :**

**Rated voltage AC(220/380) of the three-phase synchronous machine;**  
**Excitation voltage DC 24/42v;**  
**Rated speed :2800 RPM.**
