

Product Name :
AC Servo Motor Trainer

Product Code :
ENGLABINGCAG5000219

Description :

AC Servo Motor Trainer

Technical Specification :

- 1 ac servo motor experiment
- Static test of ac servo motor
- Ac servomotor principle, characteristics and operation test
- Start and operation control of ac servo motor
- Servo positioning control of ac servo motor
- Angular displacement control of ac servo motor
- Ac servo motor linear displacement control
