

Product Name :
AC DC Training System with Android Oscilloscope

Product Code :
ENGLABINGCAG5000240

Description :

AC DC Training System with Android Oscilloscope

Technical Specification :

Basic circuit
Electricity basics
Electronic measurement
Series and parallel circuits
circuit analysis
Equipment circuit protection
Inductance and capacitance
3 Technical data
Suitcase: 700mm long, 520mm wide and 230mm high
Installation panel:
Dual control switch
switch
Circuit breaker switch
DPDT knife switch
SPDT Knife Switch
Multi-contact transformer
12/24V AC and DC power supply
Indicator light-220V AC
Fan-24V DC

Solenoid-24V DC
Buzzer-12V DC
Button-NO
Rotary switch-NO

Engineering Lab Equipment India
