

Product Name :
Flow and Level

Product Code :
ENGLABINGCAG510037

Description :

Flow and Level

Technical Specification :

- 1 Table body
- 1 Electrical control box with touch screen and configuration software
- 1 30L water storage tank
- 2 Process water tanks
- 1 Circulating water pump
- 1 Rotameter
- 1 Pulse flow sensor
- 1 Liquid level transmitter
- 2 Float switches
- 1 Electric control valve
- 3 Solenoid valves
- 1 PID controller
- 2 Double-pipe pressure gauges
- 1 Differential pressure gauge
- 1 Set of valves and connecting pipelines
