

Product Name :
Pneumatic and Electro-Pneumatic Bench

Product Code :
ENGLABINGCAG5100042

Description :

Pneumatic and Electro-Pneumatic Bench

Technical Specification :

Cylinders

2 Single-acting spring return cylinders

1 Double-acting cylinder with magnetic piston and elastic damping

Double acting magnetic piston cylinder with adjustable pneumatic damping

Electro dispensers

1 Solenoid valve, 3/2-way monostable NC (24 VDC coil with LED indicator)

1 Solenoid valve, 3/2 bistable (24 VDC coil with LED indicator)

2 Solenoid valves, 5/2 bistable (24 VDC coil with LED indicator)

2 Solenoid valves, 5/2 monostable (24 VDC coil with LED indicator)

1 Solenoid valve, 5/3 closed center (24 VDC coil with LED indicator)

1 Vacuum generator by suction effect with suction cup
