

Product Name :
Hydraulic Bench

Product Code :
ENGLABINGCAG5100043

Description :

Hydraulic Bench

Technical Specification :

Hydraulic power unit
Control unit with integrated circuit breaker and emergency stop
Single-phase alternating current motor
Rated voltage: 230 V/50Hz
Rated power: 1 kW minimum
Coupled to 2 double pumps (gear or vane pump)
Flow rate of each pump: 3.5 l/min minimum
Pressure 50 bar minimum
Tank capacity 40 Liter minimum with return channel filter.
