

Product Name :
Transparent Pneumatic Training Workbench

Product Code :
ENGLABINGCAG5100049

Description :

Transparent Pneumatic Training Workbench

Technical Specification :

Single acting cylinder directional change circuit
Double acting cylinder directional change circuit
Single acting cylinder speed control circuit
Double acting cylinder single direction speed adjust circuit
Double acting cylinder bi-direction speed adjust circuit
Speed change circuit
Buffering circuit
Secondary pressure control circuit
High and low pressure change circuit
Counter circuit
