

Product Name :
Pneumatic Training Workbench

Product Code :
ENGLABINGCAG5100066

Description :

Pneumatic Training Workbench

Technical Specification :

Input power: single-phase three-wire system AC220V \pm 10%
Experimental table size: 1600mm (length) \times 1000mm (width) \times 1700mm (height)
Groove interval: 25mm
