Product Name:
Pneumatic Training Workbench

Product Code:
ENGLABINGCAG5100066

Description:

Pneumatic Training Workbench

Technical Specification:

Input power: single-phase three-wire system AC220V±10%

Experimental table size: 1600mm (length) × 1000mm (width) × 1700mm (height)

Groove interval: 25mm

Engineering Lab Equipment India
