

Product Name :
Hand Drilling Machine PCB

Product Code :
ENGLABINGCAG5200017

Description :

Hand Drilling Machine PCB

Technical Specification :

Driving way: dc motor drive directly drill chuck

Speed: 10000 r/min

Working voltage: 220 V/frequency 50 Hz

Work power: 100 W

Basic specifications and data:

Drilling ability: 0.5-10 mm

Mesa size: 170 * 170 mm

The effective size: 140 mm

Ontology height: 380 mm
