Product Name:
Hand Drilling Machine PCB

Product Code:
ENGLABINGCAG5200017

Description:

Hand Drilling Machine PCB

Technical Specification:

Driving way: dc motor drive directly drill chuck

Speed: 10000 r/min

Working voltage: 220 V/frequency 50 Hz

Work power: 100 W

Basic specifications and data: Drilling ability: 0.5-10 mm Mesa size: 170 * 170 mm The effective size: 140 mm Ontology height: 380 mm

Engineering Lab Equipment India
