

Product Name :
Silk Wire Mesh Dryers PCB

Product Code :
ENGLABINGCAG5200023

Description :

Silk Wire Mesh Dryers PCB

Technical Specification :

Max temperature: 20min
temperature departure: $\pm 3^{\circ}\text{C}$
temperature display mode: measurement and setting temperature digital display
temperature sensor: industrial resistor(PT100)
Shell material: rust-proof treatment cold-roll steel sheets electrostatic spray
Inner material: galvanized sheet
Inner door: thermo stability toughened glass
