Product Name :
Test Equipment To Measure Weight Length Minus Tolerance

Product Code :
ENGLABINGCAG9700001

Description :

Test Equipment To Measure Weight Length Minus Tolerance

Technical Specification :

Length measurement range: 2001500mm
Length measurement accuracy: 0.2mm
Weight measurement range: 0.330kg
Weight measurement accuracy: Less than 0.5% of total weight
Sample diameter range: 550mm
Power supply: 0.5kW/AC220V/50Hz
Frame dimensions: 21807201175mm3
