Product Name:

Test Equipment To Measure Weight Length Minus Tolerance

Product Code: ENGLABINGCAG9700001

Description:

Test Equipment To Measure Weight Length Minus Tolerance

Technical Specification:

Length measurement range: 2001500mm Length measurement accuracy: 0.2mm Weight measurement range: 0.330kg

Weight measurement accuracy: Less than 0.5% of total weight

Sample diameter range: 550mm Power supply: 0.5kW/AC220V/50Hz Frame dimensions: 21807201175mm3
