

Product Name :
Combustion And Fuel Gas Emissions Analyser

Product Code :
ENGLABINGCAG1090001

Description :

Combustion And Fuel Gas Emissions Analyser

Technical Specification :

Combustion and Flue Gas Emissions Analyzer comprising:
a case and carrying strap hand held remote unit
oxygen sensor
CO sensor (H2 compensated)
300 mm flue gas probe
Printer
battery charger
water trap
SO2 filter
5 m probe extension lead
2 printer paper rolls
