

**Product Name :**  
Steam Power Plant 1,5kW with Process Control System

**Product Code :**  
ENGLABINGCAG1110001

**Description :**

Steam Power Plant 1,5kW with Process Control System

**Technical Specification :**

Steam power plant and its components with control and regulation system  
Start-up, operation and shut down of a steam power plant  
Familiarisation with system control and monitoring via a process control system  
Monitoring, servicing and maintenance tasks  
Determining: input and output power, component and system efficiency, specific fuel consumption of the system  
Complete laboratory-sized steam power plant  
Process control system based on Ethernet and PLC  
Plant monitored and controlled via touch screen control station
