

**Product Name :**  
Air Flow Experiments Apparatus Lab

**Product Code :**  
ENGLABINGCAG1180001

**Description :**

Air Flow Experiments Apparatus Lab

**Technical Specification :**

Flow In Pipes Apparatus  
Two Stage Air Compressor Test Set Air Cooled  
Compact Centrifugal Fan Test Set  
Single Stage Air Compressor Test Set Air Cooled  
Bernoulli Apparatus  
Centrifugal Blower Test Set  
Air Flow Bench  
Flow Measurement Apparatus  
Flow through a Bend Apparatus  
Multi Stage Centrifugal Demonstration Unit  
Two Stage Air Compressor Test Set Air Water Cooled  
Multi Tube Manometers  
Axial And Centrifugal Fan Demonstration Apparatus
