

**Product Name :**  
Ecology Environment Plant and Machines Lab

**Product Code :**  
ENGLABINGCAG1460001

**Description :**

Ecology Environment Plant and Machines Lab

**Technical Specification :**

Bench Top Anaerobic Digester  
Activated Sludge Sewage Treatment Pilot Plant  
Water Conditioning Plant  
Water Still Plant  
Computerized Educational Equipment On The Thermal Solar Refrigeration Cycle  
Bench Top Aerobic Digester  
Pilot Plant For The Production Of Biogas From Biomass  
Study Unit For Bio alcohol Production
