Product Name :
Fiber-Optic Transmission Training System

Product Code :
ENGLABINGCAG7100004

Description :

Fiber-Optic Transmission Training System

Technical Specification :

Fiber-Optic Transmission Training System With four different data transmission ways (self module Transmission, module-to-module transmission, PC-to-module Transmission, and module-to-PC transmission).
The experiment of shows you how easy it is to make productive use of fiber optic materials.
The equipment that you assemble will transmit voice from one point to another, using light traveling through an optical fiber.
