

Product Name :
Radial Drilling Machine 40mm

Product Code :
ENGLABINGCAG10010002

Description :

Radial Drilling Machine 40mm

Technical Specification :

Drilling Capacity in a mild steel: 40mm
No. of spindle speeds 8: 50 to 1735
Working area of base: 870 x 760
Diameter of column: 165
Diameter of RAM: 75
Spindle Travel: 260
Spindle Nose: M.T.4
Max./Min. Distance Spindle nose to base: 925 to 230
Max. Distance Spindle nose to table: 620
Max./Min. Distance Spindle center to column: 875 x 360
Size of Box Table: 305 x 305 x 380
Size of Base(L x W x H): 760 x 1290 x 190
Overall height of machine: 2000
Spindle feed by: Hand. Star Lever & Worm
Drill Head Motor: 1.5 HP, 960 RPM
Elevating Motor: 0.5 HP, 1440 RPM
Net Weight: 900 kgs.
V.Belt: B-46
Lifting Vee Belt: A 23

Number of Autofeed: 05.(40-R.A.)

Engineering Lab Equipment India
