

Product Name :
H Type Hand Operated Hydraulic Press

Product Code :
ENGLABINGCAG10010007

Description :

H Type Hand Operated Hydraulic Press

Technical Specification :

Movable cylinder
Hard chrome piston and very long stroke of 300mm
Fast and safe adjustment of the press table height using a braked winch
Foot operated air approach feature
Fast air return
Wide insertion width

Specification:

Maximum (ton): 50 tonne
mm/stroke: 6,0 / 2,0
Maximum daylight: 750mm
Width between supports: 840mm
Table width: 200mm
Cylinder ram stroke: 300mm
Cylinder diameter: 125mm
Ram diameter: 70mm
Height overall: 1990mm
Width overall: 1350mm
Depth overall: 630mm
