

**Product Name :**  
H Type Hand Operated Hydraulic Press

**Product Code :**  
ENGLABINGCAG10010007

**Description :**

H Type Hand Operated Hydraulic Press

**Technical Specification :**

Movable cylinder  
Hard chrome piston and very long stroke of 300mm  
Fast and safe adjustment of the press table height using a braked winch  
Foot operated air approach feature  
Fast air return  
Wide insertion width

**Specification:**

Maximum (ton): 50 tonne  
mm/stroke: 6,0 / 2,0  
Maximum daylight: 750mm  
Width between supports: 840mm  
Table width: 200mm  
Cylinder ram stroke: 300mm  
Cylinder diameter: 125mm  
Ram diameter: 70mm  
Height overall: 1990mm  
Width overall: 1350mm  
Depth overall: 630mm
