

Email : sales@engineeringlabequipments.com

Product Name :
Transducers

Product Code :
ENGLABINGCAG14900012

Description :

Transducers

Technical Specification :

Theoretical topics of Transducers
The bio-engineering and the biomedical instrumentation
Biomedical signals
Measurement systems of biomedical signals
Characteristics of the transducers
The temperature sensors
The optical and opto - electronic sensors

Circuit blocks of Transducers
Temperature sensors
°C/°F converter
U/f transducer of Transducers
Photo diode
Photo transistor
Op to coupler

Engineering Lab Equipment India
