Product Name :
Single Phase Electro Compressor

Product Code :
ENGLABINGCAG8000006

Description :

Single Phase Electro Compressor

Technical Specification :

With very low noise level for small capacity.

Tank capacity: 24 litres

Air intake: 50 litres/min.

Max. working pressure: 8 bar or 116 PSI

Motor power: 0.34 kW or 0.45 HP

Noise level: 40 dB
