**Product Name :**  
Single Phase Electro Compressor

**Product Code :**  
ENGLABINGCAG800006

**Description :**

Single Phase Electro Compressor

**Technical Specification :**

With very low noise level for small capacity.  
Tank capacity: 24 litres  
Air intake: 50 litres/min.  
Max. working pressure: 8 bar or 116 PSI  
Motor power: 0.34 kW or 0.45 HP  
Noise level: 40 dB
