Product Name :
Electronic Control Console

Product Code :
ENGLABINGCAG8200012

Description :

Electronic Control Console

Technical Specification :

The enables all of the single loop configurations to be implemented without using a computer.
Using this console also enables the sensor data to be logged and displayed on a computer (using the interface), but with the control functions being implemented in the hardware, rather than the computer software.

Use of a commercial PID controller
Simple interfacing to other PLC and/or PID controllers
Use of 4-20mA interfaces .Use of serial communications (RS232) in a control system
Simple SCADA demonstration (requires PC)

Engineering Lab Equipment India
