

Email : sales@engineeringlabequipments.com

Product Name :
Basic Electrical Trainer

Product Code :
ENGLABINGCAG10300005

Description :

Basic Electrical Trainer

Technical Specification :

Master Power Switch with indicator light
DC Power Switch with indicator light
Circuit Breakers
DC power buss
Voltmeter
Ammeter
Indicator lamps
Relays
Switches
Terminal strips
Solder-tail aircraft connector
Audio alarm

Power Requirement:
110V AC or 220V AC

Engineering Lab Equipment India
