**Product Name :**  
Vertical Separator Demonstrator

**Product Code :**  
ENGLABINGCAG10400002

**Description :**

Vertical Separator Demonstrator

**Technical Specification :**

Vertical uses simplex weir,  
300 x 600 mm separator  
Two centrifugal pumps for water and oil  
Regenerative air blower  
Oil and water storage tanks  
Complete unit mounted on a utility size cart for ease of movement and storage  
Approximate overall dimensions 80 x 60 x 120 cm high  
Available in all world voltages frequencies

**Engineering Lab Equipment India**
