**Product Name :**  
Fuel Cell Demonstration Unit

**Product Code :**  
ENGLABINGCAG10700004

**Description :**

Fuel Cell Demonstration Unit

**Technical Specification :**

Demonstrate Fuel Cell characteristic.  
Measure current efficiency of Fuel Cell  
Demonstrate battery charging

Features of Fuel Cell Demonstration Unit:  
Uses Hydrogen and Air to produce Clean Electricity  
No Power supply required  
Desk top mounted

**Engineering Lab Equipment India**
