

Product Name :
Basic EFIS Trainer

Product Code :
ENGLABINGCAG11500004

Description :

Basic EFIS Trainer

Technical Specification :

External GPS Receiver with database
External Remote Compass System
H.S.I Resolver Interface
Autopilot Interface
GPS Interface
ILS Interface
NAV Interface
Altitude Encoder Interface
Emergency Power Battery

EFIS Display includes the following:
Horizon line, pitch and roll indicators
4 x EGT
CDI/ Glide slope Indicators
Stabilized heading tape and digital readout
Turn rate indicator
Digital Altitude
Elevators trim indicator
Winds aloft arrow

Angle of attack (AOA) indicator
Air speed digital readout, and trend
Bugs to mark a desired heading, airspeed, or altitude.
Slip/skid ball
Altimeter setting display
Clock/timer
Auto pilot Status Indicator
OAT
G-Meter
Voltmeter
Timer

EFIS Display Characteristics:
Display Type:LCD, TFT
Backlight: atleast 800 nits
Size: 7.0diagonal (178 mm)
Resolution:854 x 480 color pixels

Engineering Lab Equipment India
