

Product Name :
CNC Lathe Machine

Product Code :
ENGLABINGCAG240001

Description :

CNC Lathe Machine

Technical Specification :

This is a compact industrial slant bed lathe with 8 station programmable turret.

This can be integrated with automation components to create various configuration of Smart Factory Automation System.

This is offered with optional accessories such as software, e-learning, loading and unloading device, pneumatic chuck, auto door.

Its design replicates industrial machine features such as cast iron bed, precision grade grounded ball screws, LM guide ways, servo motors, coolant system, AC panel cooler for control box, full machine guard, etc.
