

Product Name :
Power Floater Machine

Product Code :
ENGLABINGCAG360003

Description :

Power Floater Machine

Technical Specification :

Noise-free operation
High performance
Sturdy design
User friendly

Technical Details:

Dia.: 1000 mm
Handle Length: 1600 mm
Handle Height: Adjustable
Weight: 70 kg.
Floating: 130 RPM
Dise Thickness: 5 mm
Powered: 3 H.P. Electric motor through gear box
Prime Mover: Gear Motor
Power Rating: 3 H.P.

Engineering Lab Equipment India
