Product Name :
Safety Helmet

Product Code :
ENGLABINGCAG3700003

Description :

Safety Helmet

Technical Specification :

Safety Helmets for essentially head protection during construction jobs and mining process, we can used fabricated using robust material that are capable of withstanding harsh conditions and provide optimum safety to the users from any kind of injuries and suitable for construction works, material handling, mining, sand blasting, ports etc.

Safety helmets or hard hats are the first line-of-defense against head injuries for your brain can face injury due to falling objects, colliding with the low roofs, trips, and falls, durable and strong safety helmet protects your brain from such injuries.
