

Product Name :
Soil Extruder, Motor Operated

Product Code :
ENGLABINGCAG400030

Description :

Soil Extruder, Motor Operated

Technical Specification :

Technical Specifications:

Power: 750 W

Max. load: 60 kN

Max. external diameter of sample tubes: 160 mm

Max. ram stroke: 900 mm

Max. working ram speed: 6 mm/sec.

Overall dimensions:

Horizontal working position(lxwxh): 2730x409x1180 mm
